

Like pen and paper—but better

Meet Surface Slim Pen 2

Fast, fluid, and natural

Write in real time with pinpoint accuracy and incredible shading thanks to a sharper pen tip and a slim, carpenter-inspired style that's perfect for every hand.

Improve your productivity even further with haptic feedback in workhorse apps like Word, PowerPoint, and Outlook.* Tactile signals make it easy for you to know when you successfully select objects, hover, delete, and more on select devices.¹

Charged and ready to go

Surface Slim Pen 2 stores securely and recharges with your device when stored in Surface Pro Signature Keyboard and when magnetically attached to Surface Laptop Studio.*

Take handwritten notes in Microsoft Teams, simultaneously ink with others in Microsoft Whiteboard, or unleash your creativity in Adobe Photoshop.*
